Care planning

We will help you do a person centred care plan.

Someone will spend time with you. Together you will find out what is important to you. This will help us plan support that is just right for you.

We have integrated care pathways. This means that everyone involved with your support or treatment works well together.

We have meetings and share information to find the best ways to support you.

We keep any information about you private.

We will only show the information to the people we need to.

Every year we will have a meeting with you and these people

- your mum and dad or family
- your social worker
- people who support you at Willow House.

We will talk about your support and the activities you do at Willow House.

We will make sure you are getting the right support.

We will help if you need to see

- a dentist about your teeth
- an optician about your eyes
- a doctor or a GP
- anyone else about your health.

If you want to smoke you must go outside to the greenhouse.

If you want to stop smoking your support workers can help you.

Paying for your support

Danshell gets money to pay for you to live at Willow House.

The money we get pays for these things

- your food and drink
- people to support you

- heating
- lights

- shampoo, soap and other things you need to keep clean
- washing your clothes

- things to do every day

Paying for other things

You have to use your own money to pay for these things

- clothes

- cigarettes

- newspapers

- books

- getting your hair cut

- extra activities you want to do.

We will help you to keep your money safe.

You can lock up your money in your room.

If you want us to we can also lock up your money until you need it.

Having your say

We have a service user meeting every week at Willow House.

You can tell us what you think about Willow House.

You can help to plan outings and activities.

You can talk to an advocate too.

Advocates are people who help you have your say about what you need and what you want.

Your advocate works for Voiceability.

Your right to complain

We want you to tell us about anything you are unhappy about at Willow House. We will try to sort it out. This is called complaining. Complaining helps us to make things better.

You can tell us about anything about Willow House.

This could be

- people who support you
- your room
- things you do during the day
- food
- anything else.

You can find out more in a leaflet called Let's think about making a complaint.
