Let's think about bullying

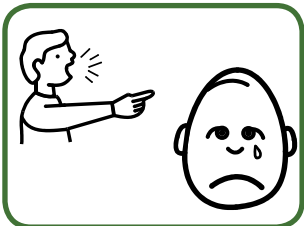

Let's think about bullying

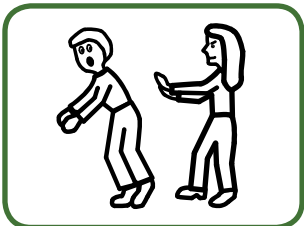

- Bullying is when a person does things deliberately to hurt you
- Bullying is when a person says things deliberately to hurt you

What is a bully?

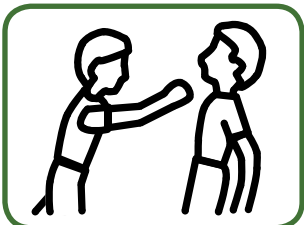

- A bully is someone who does not care about other people's feelings

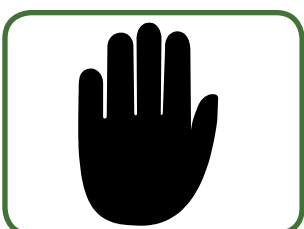

- Other service users may bully

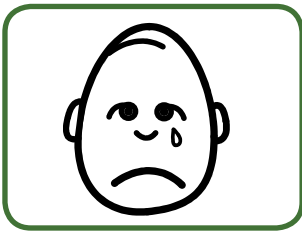

- Staff may bully

- You might bully someone

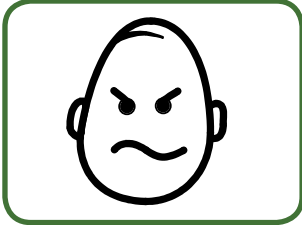

- Bullying is not allowed

Bullying is not OK!

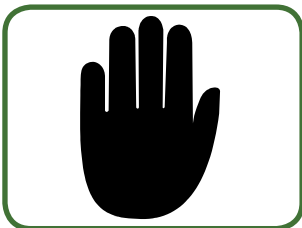

- Bullying is not funny

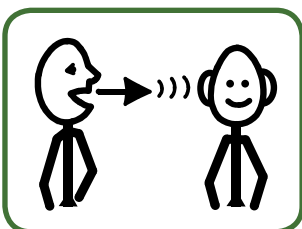

- Bullying hurts

- Bullying is serious

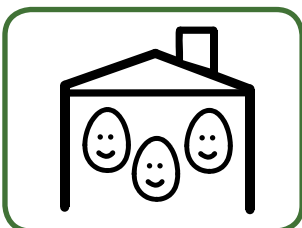

- Bullying is not OK and it must be stopped

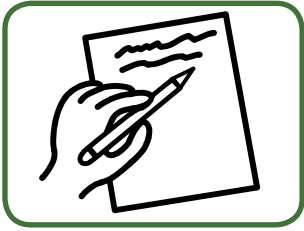

What should you do if you feel bullied?

- If you feel that you are being bullied you should always tell someone you trust

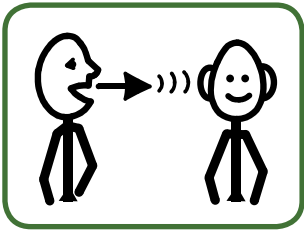

- The staff will listen to you

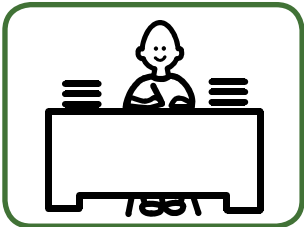

What will happen when you tell someone?

- When you tell a member of staff they may write down what you tell them

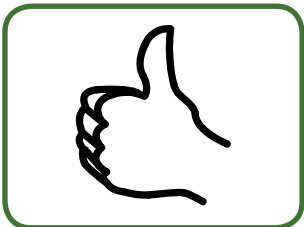

- They will talk to the other person

- They may tell the manager

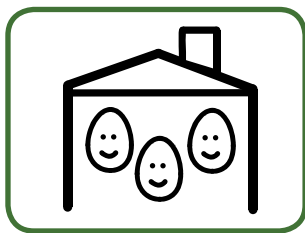

- They may tell the police if they feel that the bullying is serious

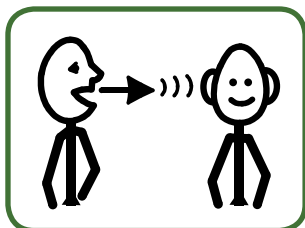

- This is OK. You have done the right thing. There is no need to worry

Will the bullying stop?

- Yes. It is the staff's job to make sure no one is bullied

- The staff will take care of you and help you to take care of yourself

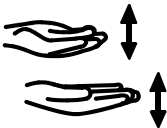

- The staff need you to say what is happening and how you feel

- Bullying cannot happen if we all talk to each other and take care

What would you do if you were bullied?

Do you understand what to do about bullying now ?
